Soviet Plan to Establish Another Arctic Drift Station

To report that the Soviet have firmed up earlier plans to launch a new Arctic drift station, as part of this year's first phase of the annual Soviet Arctic High Latitude Expedition.

REQUESTER: This self-initiated paper by Ch/CG/X is ancillary to his SISO-Polar Area duties and is a part of maintaining currency on Soviet Arctic Basin activities. It was forwarded to St/CS for redrafting into daily and/or weekly intelligence digests.
